November 14, 2013

Subject: **Proposed Verizon Wireless Rooftop Communications Site**

**Site Name: ABQ-Campus**

**Facility Address: 1100 Central Ave SE, Albuquerque, NM 87106**

**Project Type: Verizon New Build**

**Legal/Physical Description of Property: Tract 2, Plat of Tract 1-9, Presbyterian Hospital, Main Campus, Phase 1, Located on Central Avenue SE between Cedar Street SE and Oak Street SE. Zone Map K-15.**

Dear Property Owner/Neighborhood Association/Home Owners Association:

This letter is being sent to you as notice that Verizon Wireless (VZW) will be submitting application to the City of Albuquerque Planning Department for (Cell Tower – Concealed Tower Submittal) at the address and location referenced above. Verizon is seeking approval of a Site Development Plan to allow a concealed communications facility on the rooftop of a building at this location. A copy of the proposed project site plan has been attached for your reference.

Please do not hesitate to contact us in regard to any questions or comments you may have in regard to this proposed Verizon Wireless project.

Thank you,

Randy Pridgeon  
Site Development
