

CITY OF ALBUQUERQUE

June 30, 2016

Dear Neighborhood Representative:

The next **National Night Out (NNO) Celebration** is scheduled for **Tuesday, August 2, 2016** during the hours of **7 p.m. to 9 p.m.** The evening marks the 33rd Anniversary of this very successful national celebration against crime. The Albuquerque Police Department is inviting all neighborhood and/or homeowner associations to join together and send a message to criminals that your community is fighting back against crime, gangs and drugs.

If you and your neighbors want to participate in this year's NNO with a potluck, party or other social event, call the **Citizen Contact Center at 311**. When you call, please provide **1) Your Name; 2) Address; 3) Phone Number; 4) Exact Location of the Event (if other than your address); 5) If you represent a Neighborhood Association or a Neighborhood Watch Block; 6) Event times. The deadline for notification is Thursday, July 28, 2016 at 5 p.m.** We will provide a list of participating blocks and neighborhoods to elected City officials, Area Commands, Crime Prevention personnel and other City representatives so they can attend as many individual events as possible.

The Albuquerque Police Department will make every attempt to have an officer attend your event. However, due to the large number of expected events, the possibility of a high volume of calls for service and unplanned emergencies this may not be possible. If this should occur, we apologize in advance, but will continue to support your efforts and appreciate the time and dedication you have shown to make your neighborhood a safe place to live.

National Night Out is an excellent opportunity for you and your neighbors to socialize, renew acquaintances, welcome new neighbors and to join fellow citizens in our community's fight against crime and our pursuit of a high quality of life. Plan to join us, once again, for another fun and enjoyable citywide celebration. We look forward to hearing from you by **Thursday, July 28, 2016 to register**. If you have any questions about the event please do not hesitate to contact me for further information.

Sincerely,

POLICE • COMMUNITY PARTNERSHIPS

National Night Out is designed to:

- Heighten crime and drug prevention awareness;
- Generate support for, and participation in, local anticrime efforts;
- Strengthen neighborhood spirit and police-community partnerships;
- Renew old acquaintances and establish new friendships by getting to know your neighbor; and
- Send a message to criminals letting them know neighborhoods are organized and fighting back.

Events and programs may vary from block to block and party to party. Make yours unique and memorable; have a cookout, potluck, dessert party, ice cream social or just come together to visit.

APD, City Staff and Elected Officials will attend as many registered events as possible. Be sure and register your event today.

Win Cash For Your Neighborhood

National Night Out (NNO) is a great way to win cash for your neighborhood Association or Neighborhood Watch. You can put the funds to good use by improving your neighborhood. NNO participation awards will be drawn at random a few weeks after the event.

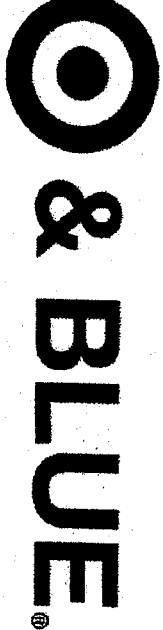

Turn on the Lights for Pennies a Day

One way to deter crime and show your support for National Night Out is to leave your porch light on the night of August 2nd. Porch lights that are on from dusk to dawn every night help keep neighborhoods safe. Use a compact fluorescent bulb or LED to keep energy costs low.

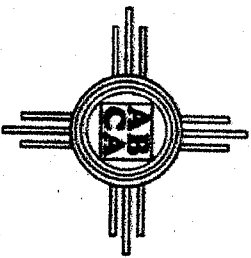

Security lights protect our homes. Well placed outdoor lighting can make our homes less desirable targets for criminals. Timers, motion detectors and photocells can be installed to turn lights on and off automatically. Make sure the timer or photocell is compatible with your bulb. Interior lighting also discourages criminals from entering your home. Put one or two lamps on a timer and use efficient bulbs to save energy.

Sponsors

Target recognizes the need to develop partnerships that bring together the community and law enforcement. These partnerships create safe and secure neighborhoods for all citizens.
